

# SCCAAAE 2021 ANNUAL CONFERENCE

April 17 - 20, 2021 | Houston, Texas

SCCAAAE wants to provide insight into the protocols we are taking along with the hotel to keep our in-person attendees and sponsors safe. This is of utmost importance to us.

## ABOUT OUR VENUE

### Hyatt Regency Houston - Downtown

The safety and wellbeing of our guests, customers and colleagues is a top priority for Hyatt.

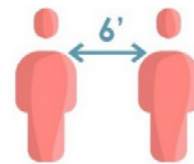

Hyatt continues to monitor the coronavirus (COVID-19) situation closely, keeping those who are affected in our hearts, and listening carefully to the questions and concerns we receive from guests such as you.

Inspired by Hyatt's purpose – we care for people so they can be their best – and in response to the dynamic COVID-19 situation, we would like to share actions Hyatt is taking to care for you during this time, including booking with confidence and travel flexibility and comprehensive steps to implement new guidance, procedures and practices as we reimagine the hotel experience.

## SAFETY DURING THE CONFERENCE

Masks must be worn by all guests and staff if they are not eating or drinking.

Attendees will be social distanced with a max of two people per 6' table.

Limited attendance - We will be at no more than 50% capacity for each space.

Vendors will have extra space between their booths.

Hand sanitizer stations will be placed in the meeting room and other high traffic areas throughout the hotel.
